17 This style is known by a variety of names, Pueblo Style, Southwest Style, Santa Fe Style; however, the architectural historian, Chris Wilson, has convincingly argued that the most culturally appropriate term is Spanish-Pueblo Revival, which recognizes the architectural contributions of both cultural traditions. See Chris Wilson, The Myth of Santa Fe: Creating a Modern Regional Tradition (Albuquerque: University of New Mexico Press, 1997); and Wilson, “Spanish-Pueblo or Pueblo Revival: What is UNM’s Style?” in Wilson, UNM Campus Heritage Survey, 33-34.
