NEW LOCATION FOR EASIER ACCESS & ACTIVE SUMMER SHUTTLE SERVICE

The Annual Car Show and Safety Fair is revving up for another year!

This year marks the first time we're opening participation to the UNM Institutional Support Services (ISS) community — bringing together teams from across the organization and supporting teams to celebrate campus safety and staff creativity through a lively showcase of custom cars, motorcycles, and safety-focused activities and vendors. Think you have the best recipe in our organization? Join the 'Taste of New Mexico: Dips & Desserts' Showdown! All ISS organization staff are welcome to join!

Show your car or department!
